

## **HUMBLED HEART James 4:6-10**

A:

Where have I been? What did I do?  
I covered my traces, but You see right through

Offer my shame, my guilt, my pride  
Please take them away, Lord; don't wanna hide

B:

Cleanse me with your blood,  
Take my sins away from me,  
As I humble myself, please set me free.

A:

Cover my sins, the guilt, the shame  
Allow me to stand, Lord, before your glorious name

*Repeat B*

C:

I ache to search You, in spirit and truth  
Please take my spirit and make it brand new, make it brand new

*Repeat B*

...

*As I humble myself, please set me free.*
