

LESSONS OF LOVE Sermon on the mountain, Mark 12: 29-31, a.o.

A:

It is not ritual, not cultural, that's an obstacle to his love
It is healing, fellowship, freedom and forgiveness from above
It is love, it is truth, respect for peoples choice
Not making the right moves nor religious noise

B:

Believe the good news, you know it's worth your while
Turn the other cheek, walk the extra mile.
Stop following the liar, the planner of your doom
Seek God's kingdom first, the rest He gives to you

C1:

Repenting is a muscle, it needs exercise
Don't linger near the honeycomb, that's not wise

D:

Keep walking in his holy peace
Your compass, to keep your mind at ease.

Repeat A

Repeat B

C2:

Now take your place and play your part in Father's plan
And do the works prepared for you, take your stand
His presence is your influence
Be holy, He will use your hands

Repeat B (2x)
