

ONLY ON THE ROCK Matth 7:24

A1:

Only on the rock, you will stand the storms
Your house embraces law to support loving arms
Don't grieve the Holy Spirit, your sealer of redemption
A clean life, a pure heart, nothing else to mention

B:

Saved by grace, through your faith in the cross,
But that is just step one,
Discipleship in spirit led acts of love
That's how it's done

A2:

Not on your own strength, but spirit-filled
You received the grace now you walk in his ways
Live all the words that Jesus said
Please don't fool yourselves, don't let it be said

C:

I never knew ye, depart from me, you workers of Iniquity
Pride and fear, they block His ways, they'll keep you from your goal
For achievement is love's substitute, a cancer to your soul

D:

Only on the rock, you will stand the storms
Your house embraces law to support loving arms
Don't grieve the Holy Spirit, your sealer of redemption,
A clean life, a pure heart, nothing else to mention
