

**REPENT AND STEP IN Mark 1: 14, 15, a.o.**

*A1:*

Live not in fear, guilt, or hide your own shame,  
There's a way out, but what is the name of this game?  
God's rule is a fact, if you like it or not  
Just add all the cost, be saved or stay lost

Don't make things worse, pride is the curse  
Hand it all over, it's paid for, it's done  
Repent and step in, it's offered, He's won  
Trust the Creator, it's adventure, it's fun

*B:*

Why don't we just apologise, repent unqualified  
Let's pray and testify by living holy lives  
Search the kingdom and it's righteousness  
The rest will fall to you and yes nothing less

*A2:*

God's grace is the start, but there's more to achieve  
Called as disciples, not just to believe  
Let this revelation begin in your heart  
Enter his Kingdom, that is the start

Make sure you step in, and love Adonai  
Away from trespasses, for else you will die  
Repent your old ways, let truth set you free  
Let his Spirit guide, eyes be opened to see

*Repeat B*
